*'Growing & Empowering Myself Successfully'*

## Delta GEMS

The **Delta GEMS (GROWING AND EMPOWERING MYSELF SUCCESSFULLY)** is an extension of the Dr. Betty Shabazz Delta Academy I Program. The GEMS Program name and content was changed to become consistent with other teen programs sponsored by Delta Sigma Theta Sorority Inc., Chapters. The Delta GEMS Program is now called the Delta Academy II with a focus on teenage girls between the ages of 14-18 and/or grades 9-11(only).

The **Delta GEMS** Program is a community service project of the Flint Alumnae Chapter of Delta Sigma Theta Sorority, Inc. The goal of the program is to develop strong, confident and respectful young ladies and prepare them to take an active role in their success and society.

**Delta GEMS** is designed for

- Young women, who have potential, but need guidance, support and skills to achieve success.
- Young women who are interested in developing leadership skills
- Young women who are actively pursuing college/and or career options
- Young women who need encouragement and support in pursuit of higher learning
- Young women identified by schools, churches, youth groups and/or former Delta Academy or Delteens participants.

The objective of the **Delta GEMS** Committee is to serve as a motivational tool targeting African American female teenagers resulting in an increased knowledge and awareness of issues and concerns affecting women today. The objectives and goals of the Delta GEMS Committee will be accomplished through workshops on:

- Scholarship (Academic Excellence)
- Sisterhood (Self Esteem, Health Awareness & Leadership)
- Showing Me the Money (Financial Awareness)
- Service (Social Responsibility Obtained Through Community Service)

The **Delta GEMS** logo is likened to a gemologist who can see, through the use of certain tools, the hidden treasure in unpolished jewels. **Delta GEMS** uses the polished jewels as a symbol of the many facets that shine and glow within our young African-American women.

The Delta GEMS Committee is accepting applications for interested girls.
